
Child Sponsorship – On Campus

Get College students! You have an incredible opportunity to promote sponsorship to student organizations. Offer to speak for the first 10 minutes or so of club meetings.

Take this opportunity to share any personal stories about your experience with sponsorship or The 410 Bridge in general, and talk about how sponsorship has impacted you, as well as the student you sponsor.

Be sure to mention that child sponsorship is a \$39 recurring monthly donation, and you can sponsor a student at 410bridge.org/sponsorship.

If have time, you can also show one of our sponsorship videos, available at youtube.com/410bridge.

For ideas, see the sample talk track under “Speak.”

If an organization you speak with is interested in making a one-time donation for a special sponsorship project, let us know, and we would love to tell you what our current needs are.
